Subject: FW: Informing another company with a similar Blendtec Logo
Importance: High

Hello,

The email below is from someone informing another blender company is using a similar Blendtec logo. There is a photo attached.

Thank you,

Fernando Thomas

Subject: Customer Support

Hi there!

This is just a friendly notice from a loyal Blendtec customer.

I was on pinterest today and saw a promoted pin for 'blendjet' that also has a logo just like yours.

I've attached a photo.

You might want to check your copyright against this.

Regards,
